WHAT IS THE FLORIDA STATE EMPLOYEES' CHARITABLE CAMPAIGN?

The Florida State Employees' Charitable Campaign (FSECC) is the single authorized solicitation of state employees to voluntarily benefit charities providing programs that meet human or environmental needs in our community, across the nation and abroad.

Advantages of the Campaign

One campaign is less time consuming and less costly (more help for charitable programs). Payroll deduction is authorized (take a full year to finance your gift with small payments).

GOVERNANCE

Oversight for the FSEC Campaign is provided by a Steering Committee appointed by the Governor and Cabinet and the Department of Management Services, comprised of nine state employees. All charities listed have been screened by the Committee, which recommends admission to the Department of Management Services.

HOW IS MY GIFT DISTRIBUTED?

You have the choice of designating a specific charity (or charities) and/or umbrella groups to receive your gift.

Designations to charities that are members of America's Charities, Community Health Charities of Florida, EarthShare, Global Impact, Independent Charities of America dba America's Best Charities, Neighbor to Nation, Partners for a Better World, or the United Way of Pasco County, are provided to their respective umbrella groups for distribution. Designated gifts to the independent unaffiliated agencies will be transmitted directly. All contributions are subject to an administrative charge covering campaign and year-round costs.

A website address is provided for contributors to visit and view financial information for any of the charities listed in the brochure (see "Administrative and Fundraising Costs").

Undesignated contributions will be distributed proportionally to charities providing direct services in your local area that receive designations from other state employees in your area. Undesignated funds remaining after the proportional distribution will be distributed by your Local State Employees' Steering Committee.

SUGGESTED GIVING

There is no single answer to how much of your earnings you may wish to contribute. Giving is a personal matter and a personal decision. One suggested guide is one hour's pay each month for 12 months. This is not a quota or an assessment. Be as generous as you can.

GENERAL INFORMATION

Payroll deductions will begin with the first regular paycheck in January 2012 and will be discontinued automatically after the last regular paycheck in December 2012. The minimum allotment is \$2.00 per deduction if paid monthly, or \$1.00 per deduction if paid every two weeks. For contributions by check, please make checks payable to the Florida State Employees' Charitable Campaign. Contributions will be accepted for authorized charities only. Please make sure that fiscal agent code 735 has been entered on your pledge form.

PARTICIPATING UMBRELLA GROUPS

- America's Charities
- Community Health Charities of Florida
- EarthShare
- Global Impact
- Independent Charities of America dba America's Best Charities
- Neighbor to Nation
- Partners for a Better World
- United Way of Pasco County

In addition, many independent unaffiliated agencies (not associated with any umbrella group) also participate in the FSECC. For easy reference, you will find these charities listed together in this brochure.

ADMINISTRATIVE & FUNDRAISING COSTS

The FSECC Steering Committee has included the administrative and fundraising expense percentage for each charity. This number represents the percentage of your contribution that goes to administrative and fundraising expenses. Although Section 110.181, Florida Statutes limits the maximum administrative and fundraising expenses allowable for organizations participating in the campaign, the law permits exceptions if extraordinary circumstances can be demonstrated. Please note that for the 2011 campaign, several organizations whose administrative fee exceeded the statutory cap of 25% were admitted into the campaign for having demonstrated extraordinary circumstances.

Visit the Department of Agriculture & Consumer Services "Gift Giver's Guide" website to view additional financial information for any of the charitable organizations listed in this brochure:

COUNTY CODES LISTING

A county code listing is provided in the brochure for those individuals who wish their entire annual gift to go to the geographic area in which their designated county is located.

A county designation will be for the total annual pledge and will be transmitted to the fiscal agent that serves that county, for distribution as undesignated funds. The Local FSECC Steering Committee will select charities within the geographic area in which the designated county is located to receive these funds, as it deems appropriate. **Therefore, if you choose the county designation option, no further charity designations from the brochure can be made.**

Dear State Employees:

We are pleased to present to you the list of charitable organizations in your area of the state that will be part of the 2011 Florida State Employees' Charitable Campaign (FSECC). Based on state law, all of these charities were reviewed by the FSECC Statewide Steering Committee before they could participate in this year's campaign. As you examine your brochure, you will see that they represent a wide variety of charitable causes at the local, state, national or international level.

Throughout its 31-year history as the state's single, annual fundraising drive, the FSECC has helped employees support thousands of their favorite charities. In addition, it has given them the flexibility of budgeting their contributions over the course of the year through payroll deductions. To date, state employees have generously raised over \$88 million through the FSECC!

The FSECC is your campaign and the campaign brochure and pledge form are provided to help you make an informed choice. You have a few weeks to do this, so we encourage you to take a few moments to look over the information before you decide. However, as always, the choice to participate is solely yours.

As we kick off the 2011 campaign, we simply ask that you consider using the FSECC to give back to your community or to any other charitable cause that is meaningful you. It is this long tradition of giving, which is at the heart of the FSECC, that continues to touch lives and enrich us all.

Thank you for your support.

Sincerely,

Sharon D. Larson, Chair
FSECC Statewide Steering Committee
